

## **EQUALITY ESSENTIALS: Half Day**

### **Introduction to identifying and challenging workplace bullying and harassment**

#### **Objectives**

- To share recent statistics about workplace bullying and harassment
- To know the legal framework that protects equality and diversity in the workplace
- To identify the behaviours that constitute bullying and harassment
- To discuss the use of language in the workplace
- To discuss the effects on the individual, team and organisation
- To discuss best practice in eliminating workplace bullying and harassment

#### **Methodology**

This is a half day interactive workshop and uses small group work, discussion, case studies and exercises.

#### **Target audience**

Anyone in an organisation who needs an introduction to the topic.
