

EQUALITY ESSENTIALS: Full Day

Diversity in the Workplace: a plan of action

Objectives

- To discuss the history of diversity in the UK including the outcome of the 2011 Census
- To revisit the legal framework that protects diversity in the workplace
- To consider the difference between Equal Opportunities and Diversity
- To discuss the business benefits of a diverse workplace
- To evaluate the features of diversity models
- To introduce the MOSAIC model of diversity-orientated organisations
- To complete a personal action plan to implement diversity in the workplace

Methodology

This is a full day interactive session which uses small group work, discussion, case studies, exercises and personal action planning.

Target audience

Managers or others with the specific responsibility for introducing or embedding diversity within their organisation. It can be tailored to individual organisations especially those going through the ENE Equality Standard.
